Mission Statement: YL Run with Endurance 5k and 10k

The purpose of this event is to raise awareness and connect our youth and community to Young Life while encouraging the development of physical and spiritual health. 100% of race net proceeds will serve to support Lumberton Young Life in many areas; camp scholarships, funding youth activities and events during campaigner's gatherings and club meetings. These funds will also help support the necessary expenses of Young Life volunteer leaders in our community. These volunteers selflessly give their time to our youth to help instill within them the inspiration to Run their Race With Endurance.

Goal:

The objective of the YL Run with Endurance 5k and 10k is to begin a lasting, sustainable event with growth opportunities for the sole purpose of providing ongoing support to the activities, mission, and support of Young Life within the youth of our community.
